Memories of days gone by,  
 of grammar school and junior high,  
 Of friendship made and laughter shared,  
 of parents love because they cared.  
 That we have knowledge that's the best,  
 to face toward the final test,  
 Of going forth to build a life,  
 in a world that's free of strife.  
 Let's take the time now and then,  
 to stop and remember the good times when  
 We shared the joy of friendship and fun,  
 because our memories have just begun.

# Memories of a Good Season

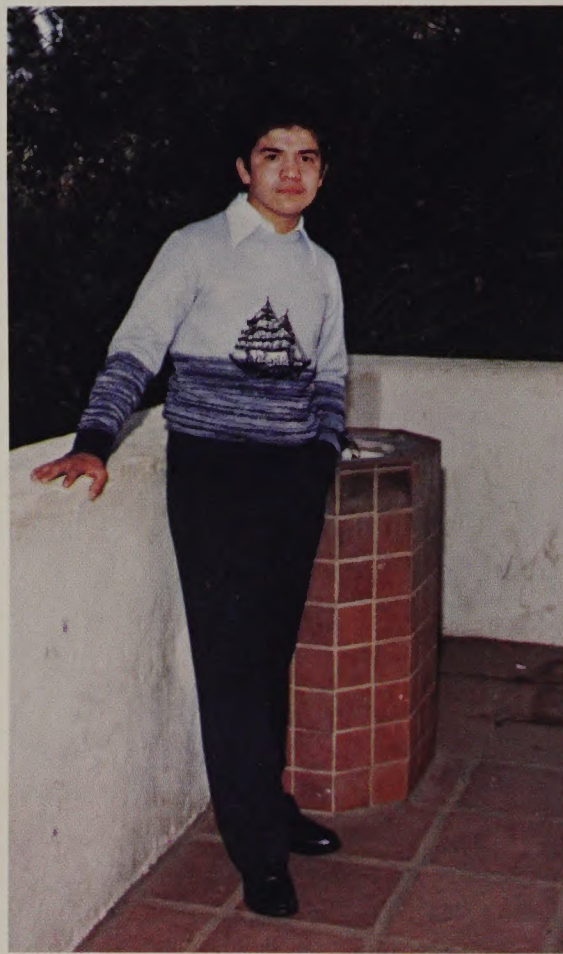

# Red and Gray makes History.

The Red and Gray Staff has memories of good times in class: Munching out, singing songs, telling jokes and cutting each other down. We also have memories of hectic days and nights after school to make this year's annual one of the best in years. Countless layouts, picture and pieces of copy that had been sorted out by the end of March in order to make Su-Hi proud and to let our annual tell the world "IT'S GREAT TO BE A DEVIL."

# Soon to Face Tomorrow's Realities

The Mighty Class of '78 mixed work with play, as all seniors will do. They started organizing in the summer and raised money throughout the year for a well-planned prom. But they did socialize, too. They held a beach party, Mexican dinner and various other events.

The Senior Motto, written by Amor Camatcho, Al LeAlcala, Ron Longley, Ferdy Preclaro, Roz Sue and designed by "H" D. Hughes, symbolized our future and not our past.

Highlight of the year for the Class of '79 was capturing the spirit stick at Homecoming by building the winning float. President Geri Naputi led the mighty juniors through the usual fund-raising activities, which included pom-pom and pep ribbon sales plus a good share of car washes. These projects, coupled with already proven determination, promise a healthy bank account for their senior year.

# Sing to Satisfy

Ensemble and choir worked their tails off, and sang their hearts out, performing throughout the community. They sang at churches, festivals, and even on the steps of the Natural History Museum in Balboa Park. Passers-by liked their style, and the museum asked "that group" to return and sing for them once more. Ensemble split a bill of \$3,000 for new attire with the Senate. The guys received black tuxes, while the gals wore rose-colored formals with cape sleeves.

## Band Memorializes Mike McGrath

In Memory of . . .

Michael Lee McGrath

Mike attended Sweetwater for two years and graduated with the class of 1976. During those two years he participated in a number of activities, including being a member of the sophomore basketball team and a drummer in the Sweetwater band. He was also in the journalism class and contributed to the SU-HI NEWS. Mike was born on September 10, 1959 and died of cancer in May of 1977. He was 17 years old when he died and had been battling a rare form of cancer since he was 11. Mike will always be remembered as a person who had a superior attitude toward life.

## Support Your Local Thespian

Lamplighter members were busy this year filling both cast and crew positions. Cathy Maynard, Susana Vega, Sandy Unertyl, and Jacqui LeAlcala received the "Best Drama" awards at the district One Act Festival with the play "To Burn a Witch". All received certificates of excellence also. The spring production "The Importance of Being Earnest" starred approximately 14 thespians and ran 4 nights. Student director was Sarah Baker.

# International Thespian Society

"Act well your part for therein all honor lies." This is the motto and basis of the International Thespian Society, an honorary group that has members throughout the world. At Su-Hi, it is a group of devoted students who sometimes dedicate their special lives to the theatre arts. Members attended the Regional II conference last summer in Irvine.

They participated in a series of workshops which included acting, mime, make-up, and set and light design. Leaders of these workshops included some of the top professionals in American theatre. They also performed in one act festivals, and readers' theatres throughout the county. Who knows, these could be the stars of tomorrow.

# Squad Shows Spirit In Devilish Ways

WE'VE GOT SPIRIT! And we've got eight female varsity cheerleader-type people to prove it! Keeping the crowds "R-O-W-D-Y", and cheering the team to victory were but two of the squads many functions. They painted the breaker posters for the football teams, perfected their routines for basketball season, and provided both teams with barbeques. In the summer they went to cheerleading camp, clad in their red and grey outfits. They returned from camp, holding a spirit stick which they earned with their mighty devil chants. Winner of the first annual "Bruno Award" was Elaine "So Keep the Faith" Mangosing.

## JV Cheers for V-I-C-T-O-R-Y

Along with supporting the junior varsity teams, the JV pep squad also cheered for girls' sports and spring sports. With all possessing leadership qualities, they decided at the beginning of the year not to elect a captain but to divide the work load among themselves. Individual duties included publicity, Sylvia Padilla; fund raising, Violet Balough; ICC rep., Toni Caldwell; and organization, Renee Sattiewhite.

# Islanders are B.A.D.

Yummy! Those tasty lumpias which livened up an otherwise tasteless lunch were made by Asian Club members and some of their mothers. OOOOOOh! That sparkling clean football field after a messy Friday night crowd was cleaned by an Asian club member. Just where do the earnings from these activities go? Some of it goes back to the school and community by helping Asians be more aware of what is happening around them.

# Knowledge Key to Success

"What 'did gyre and gimble in the Wabe?" " BUZZZZ. "The slythytoves". "Correct for ten points. Now for your bonus . . ." Such a sequence could happen at a knowledge Bowl match. Mrs. Alice Branch and her group of intellectuals, led by Al Alvarez, went to the high schools in our district to match wits with their students. The game is patterned after the old television show "College Bowl."

# Peer Counselors Peer Through Minds

Have you ever had a problem which you had to talk to someone about, a problem which you couldn't tell a friend, but then again you didn't feel you needed to see an analyst? Well, there is a group of devoted students who you can call on. Twelve students who have taken peer psychology and psychology may be able to help you with your troubles, from problems at home or school to teen pregnancies. You can go on your own, or you could be referred to them by a teacher as an alternative to a regular school counselor. Mrs. Pugh, one of the advisors along with Mrs. Torres-Stanovick and Mrs. Ochoa, is very happy with the program. She stated, "It is a very beneficial program in the sense that it is an alternative for both student and teacher."

# Campus League Brings Sweethearts Together

Since the passage of Title IX, there has not been a Big Sister-Little Sister Tea. But through much patience and effort, Campus League came up with something legal to fill the void left by the exit of the long-time tradition: Senior-Sophomore Friendship Teams. Seniors were paired with Sophomores so the latter could get better acquainted with the campus. Campus League also provided the Homecoming Court with roses, and sold Mums and carnations during Homecoming week. One of the high points of the social year was the Sweethearts' Ball sponsored by the Campus League.

# Skiers Try the Slopes

Skiing can be really fun, but it can be hazardous also, as proved by Ski Club advisor Bill Yensen. Mr. Yensen twisted his ankle playing Jean-Claude Killy on the slopes. Although two February trips were canceled because of his slight mishap, the snow fanciers still found their way to the resorts led by their fearless leader. Some of the members went to Idaho for a week's skiing over Christmas vacation, while others skied at Snow Summit in January. There were no accidents reported among Mr. Yensen's masses.

# Unlimiteds Have No Bounds

After reading two books by Richard Bach, teacher Bill Whitefield decided to form a club. The Unlimited Club is what he founded early this year. Based on the books ILLUSIONS and JONATHAN LIVINGSTON SEAGULL, it is a group of students who believe we put limitations on ourselves. Their goal is to remove their limitations.

# N.F.L. Speaks for Itself

Speech: "Seven score and four years ago". Oh, that's different; never mind. Seriously though, writing and memorizing speeches can be hard, and so is oral interpretation and debate. Doing good at it is even more difficult. But more than a handful of students at Su-Hi have accepted the challenge. They have attended tourneys throughout the state. The SDSU Tournament was their best outing. There, Jim Baker tied for first, Susana Vega took a first, and Valerie Hardie placed sixth in their respective divisions. A special note to Mrs. Rita Neumeister, advisor: A toast to absent friends, Valerie Hardie, Renee Sattiewhite, and Jim Baker.

# Journalists Report 'On-the-Spot' News

Did you ever want to know the score of a volleyball, tennis, or soccer game? Did you ever wonder how some students feel on certain issues? You could ask a friend, or you could pick up the latest issue of SU-HI NEWS. A lot of students work hard to put each issue out. They collect information, write their stories, type them up, and the editors must paste up their pages every two weeks. Printing is done in the new print shop at Del Rey. NEWS FLASH: editors were Debbie Roberts, Page 1; Lori Hawkins, Page 2; Kathy Finn and Sherri Ross, Page 3; and Scott Williams, Page 4.

# Walk Hand in Hand with AFS

I got here in August barely knowing any English, and being in a very strange situation, but I didn't get into any difficulties. The people I've met here have made me feel comfortable. Thanks to you, I have not gotten homesick, but I still think of my home sometimes. I know that my 1 year here in National City will be a great and valuable experience for me. I am glad that I came here, because what I have learned here will be a big help to me later in my life.

Your friend,

*Maisy*

# You Light Up My Life

Romance filled the air at the Bahia Hotel as Campus League presented its annual Sweetheart's Ball. What a change to see all those couples with their hair neat and trim, wearing chic formals and spiffy tuxes, some even with tails! Just on the previous Friday they could have been seen on the campus wearing their grubbies. Excitement filled the air as the crowning hour of 10 o'clock arrived. The five couples were presented to those attending, and then, seconds Al LeAlcala and Paula Lane were named King and Queen of Hearts. Jacque LeAlcala sang the coronation song "You Light Up My Life" as the couples on the court danced cheek to cheek. The evening proved to be interesting as even "non-dancers" danced, and one of the carnations was eaten at the table adjacent to Campus League president, Sarah Baker.

# Boys and Girls State Practice Politics

The mayor pro-tem of Harte City, an election board clerk from Morris, and Washington's fire marshall all attend Su-Hi. "How?" you ask. It's very simple, through a program called Boys' and Girls' State, which teaches Seniors about state and local government. This year we had three representatives: Sarah Baker, the mayor; Albert Alvarez, the election board clerk; and Roldan Teroy, the fire marshall.

# Imps and Devils Serve Su-Hi

Imps and Devils are the work-horses of the ASB; without them, it would cease to function. While commissioners are busy overseeing their duties, Imps and Devils carry out many major details, such as tearing tickets, hanging posters, and selling concessions. To be an Imp or a Devil, one must have time and patience.

# Commissioners and Senators Have

If Imps and Devils are the work of the A.S.B., then officers and commissioners are the backbone. Commissioners must carry out such duties as publicizing school events, handling assemblies, organizing homecoming, handling the A.S.B.'s finances, and selling student goods. Officers must, in turn, handle elections, run senate meetings, and keep minutes of all A.S.B. meetings.

The Senate holds the A.S.B.'s purse strings. This year it appropriated funds to the Red and Gray, bought new choir outfits, and put money on reserve to buy a new supply of records. Items that come up before the Senate are brought to it by a senate committee, or by a coalition of the officers and commissioners. Each spring the senate must approve the ASB budget which often runs in excess of \$40,000.

# These Women Fill The Supporting Roles

As in acting, here at Sweetwater, the show couldn't go on without the supporting cast. At Sweetwater they take the forms of secretaries, cafeteria workers, cooks, and a nurse. # It's Time to Prove That

The Metro football of 77 was considerably different than last year. Perennial powerhouses and Castle Park were favorites to come out on top, but gone was the explosive team of Chula Vista. This year the oddsmakers were going with Montgomery as another favorite for the banner. As the season progressed they were proved wrong, as Marian became the team to beat, and Montgomery slipped out of the picture.

Fate was with the Devils, though, as their fans watched them lose their first encounter to Castle Park in the final seconds, 14-7, only to come back and win their next eight. In their league final they demolished Marian 35-3, taking the Metro banner for the second time in many years. The league race was a tight one.

Coming down to the last game, Sweetwater, Castle Park, and Marian all had identical 7-1 records. But as visions of Metro danced in Devil fans' heads, Chula Vista was busy swamping an over-confident Trojan team.

The Devil gridders went on to the CIF semi-finals, beating Hilltop and Orange Glen in the process. With only one game away from the finals, the Devils lost a heartbreaker in the final two minutes to a powerful Lincoln team, 21-26. Lincoln went on to win the finals and take the CIF Title by whopping Kearny, 35-6.

The Devil gridders had one of the most productive seasons in recent years, compiling a 10-2 record, and having one of the toughest defenses and most explosive offenses in the county.

# Devil Team Can Really Move!

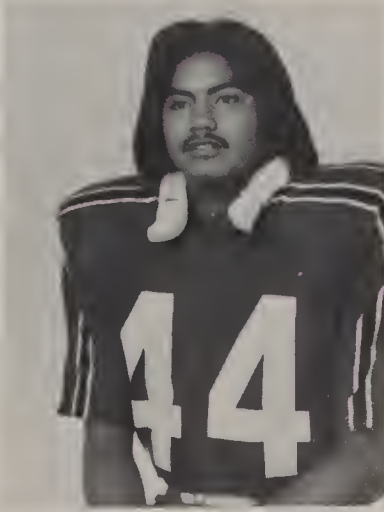

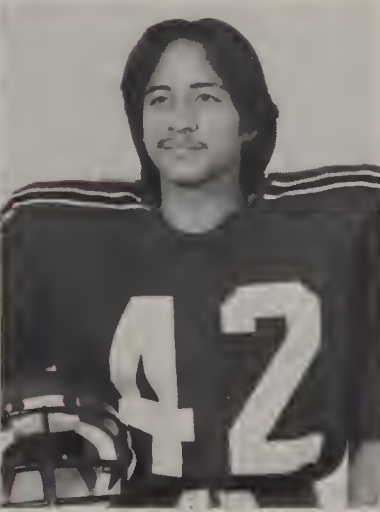

Even though they were hampered with injuries, they still managed to amass 298 points, and let only 65 points slip past in league play. Overall, they outscored their opponents 332 to 99.

As in any good team, there were also individual successes. One of them was Henry Martinez. Henry was one of the top rushers in the county; he was the first one to top 1000 yards, and even hampered by an ankle injury he still managed to come in third in the county with 1016 yards. He was also named Co-Player of the Metro League, along with Marian's Erwin Anderson. Other standouts on the Devil team were Pat Valdivia, John Saleamua, Pat Cabulagan, James Davis, Lucian Jackson, and Tom Slavinski. Fifteen players were given all-

league honors; and four players, Henry Martinez, John Saleamua, Pat Valdivia, and Pat Cabulagan, were named to the all-CIF team.

One unusual thing about this year's season was that Coach Dave Lay played against three head coaches that used to be on his Coaching staff: Mercado of Southwest, Canaris of Hilltop, and Holmes of Montgomery.

If Coach Pam Lewis has her way, soon "volleyball powerhouse" will become a word associated with Sweetwater, but it will take time. Each year, the volleyball program has improved. Led by all Metro choice Sheri Phillips, the volleyball team beat first place team Bonita Vista in the Hilltop Tourney, and managed to come in fourth out of 12 teams.

# Tennis Swings Into Action

Sweetwater has the misfortune of being in a league with perennial powerhouses, Hilltop, Bonita Vista and Coronado, where according to Coach Nancy Wise, "They've been playing tennis since they've been three years old." They had a hard up-hill battle this year but they pulled through with a 2-7 record.

# JV Devils Explode

One of the reasons why varsity gridders have done so well is because they have a tough J.V. behind them. For the fourth year in a row, and for the sixth time in 10 years, the junior gridders took the Metro Championship, this time with a perfect 9-0 record, although at times it looked like it would be impossible to pull wins out of a magician's hat. The Devils were behind Hilltop in the fourth quarter, until the last two minutes. After the final warning, the Devils scored two touchdowns, one on a fluke play to win the game 16-10. The backbone of the team included Richard Parra, who received the Most Valuable, and Best Offense awards; Lance Chenelle voted as most inspirational, and Jim Davis who was Best Defensive Player.

# Softball Hustles Through Season

Su Hi softball 'Hustlers' was the motto chosen by the softball team. As usual, they played a mean game of softball, winding up in the top 50% of the league. Strong points in the team, according to Coach Marrienne Perrault, included Diane Dixon's pitching and, Mary Murray at shortstop, defensively. Offensively Tracy Hood and Hope Chambers were quickest to get to base, while Naomi Smith, Alison Reyes, and Aida Sotelo led in batting.

# Wrestlers Are Su-Hi 'Pin' Pals

In spite of having what was considered a small team, varsity grapplers performed well throughout the season. The team was not complete; they lacked manpower in the heaviest weight divisions. Sophomores proved to have the upper hand in the lower weight classes, while the juniors and upper classmen filled the middle weight classifications.

Although the JV carried a small squad, they contributed their part in the Metro wrestling scene.

# Soccer Team Reaches Goal

Although the league proved to be a tough one, the soccer team played well throughout the season. In spite of the fact that they did not fare too well in the league standings, they did win all games and took the Limited Division Cup at the LaJolla Invitational in December.

Row 1: T. Garcia, S. Pulido, C. Melchor, J. Martinez, M. Maxwell. Row 2: A. Calderon, F. Castro, E. Lopez, S. Singphiphath. Row 3: V. Acosta, J. Herrera, J. Marzan, E. Acuna, G. Quiddam. Rear: J. Simpson, D. Munuz, J. Acosta, J. Monge, E. Solorio, M. Capps, Coach R. Shubert.

Girl's Basketball team turned out to be a surprise. It was especially a surprise to the other teams. Muscle, depth, and height were the strong points. They started the season in winning ways, beating Castle Park and Southwest, and entered the Southwest Tourney. Strong players were Alison Reyes, Carol Wade, and Diane Dixon.

# JV Devils Lead League

JV Devils had a rocky road to success. Their season was one of ups and downs. Fate allowed them more of their share of on and off days, but luck was on their side, and they led the league through out most of the season. They faired well in tournament play, winning both the first annual Su-Hi Invitational and the Coronado Invitational. Danny Samudio picked up all-tourney honors in both. Coach Bill Miller stressed the importance of free throws during the practice. He attributed them to team success, saying, "The difference between a winning team and a losing team can be determined at the free throw line."

# Rugged Racketeers Bomb the Barons

In the first of the season, a be-deviled tennis team whipped the pants off higher-ranked Bonita, which wasn't too significant in itself, but it was the first time Sweetwater tennis has beaten the Barons on the courts. Rugged Racketeers included returning lettermen Ric Lomibao and Pat McDaniel.

# Put Best Foot Forward

Dear Jav.

I have known you for a very long time. I sure that our friendship and that for a very long time. I also know that we will keep in touch over the years. So then, if I remember you you better remember me. I mostly remember our math analysis class with Mr. Dochowski. We had a good time in there, didn't we. Almost every day was if I wasn't down.

So good luck in your goals with the help of the Lord. Hey just because you merged up in college you'll catch up.

of friends always.

Amor Camacho

"Class of '78 Lives forever."

The boys track team started out on the right foot by beating Castle Park one of the teams to beat in the race for the Metro Banner. They had strengths on the field as well as on the track. Tui Toia the star devil shot putter participated in the Jack In the Box indoor games before the season started and fleet-footed runner Charles Weekes found the competition wasn't as tough as in the past.

# Devil Girls Sprint into Action

Girl's track won against Castle Park, also, Coach Al Martinez "rested easier" afterward. He said, "If we don't have an overly strong team, what we lack in strength we make up in depth." Mary Murray stood out in the hurdles, while Liz Gogue led most of the pack in the long distance.

# Baseball

## “Looking Good”

Both varsity and junior varsity baseball were “looking good” as pro scouts checked out potential prospects. The team found that diamonds aren’t only a girl’s best friend, as many a competitor melted away before them. Coach Miller was proud of his team, envisioning another CIF playoff berth. Mr. Rassmussen coached a promising junior varsity team. Shown are a sampling of baseball players of both levels.

# Su-Hi Swimmers Make a Splash

Javier,

To a super-nice guy. I'm glad I get to know you. Hope we'll become better friends. Stay the way you are—Sweet. Take care of yourself over the summer and in all the years ahead of you!

Although most don't know it, swimming is one of the toughest sports around. It is one of the few sports in which you use all of your muscles, and as coach "LEWIE" Lewis prophesies a la Knute Rockne "When the going gets tough, the tough get going." The team was not as large as it has been, and it suffered because of it lacking depth. But that did not stop Lewie. "I was very happy about this year because it is the first time we have not had trouble securing a pool. I'm also proud of the team. It was a small team, and I had to juggle a lot of events, and for the most part they sucked it up and did it." Lisa Sanders, Oliver German, and Mike Maniss were the most valuable aquanauts.

P.S

Stay out of trouble—and be successful

Love,  
Joni

# Water Polo Has Rough Season

The water polo team swam in rough water through out much of the season. But there were individual successes. Oliver German scored a record tying 17 goals and Lisa Sanders one of the few females in the game proved to sometimes be tougher than her male counterparts. The team was young but gained experience as the season progressed.

# Gymnasts Display Talent

Silence is golden, at least in the case of a gymnastic audience during a performance. Oh, it's alright to applaud after a well-done routine; it can't hurt a girl's ego. But applause during a routine could have a bad effect on a girl's marks as well as her control, especially during a back somersault dismount or any difficult move.

Coach Moorehead was proud of her team, which was more talented than in past years. The team had its standouts in Diane Rodriguez, Amy Rivera, and a lot of back-up, which is needed for a well-rounded team.

# New Coach Praises Golf Team

After a disappointing season last year, the golfers rose out of the ashes like the Phoenix. "I've been a coach for the fifteen years, and I had a good team to work with here," said new coach Bill Yensen. Part of the team included Pat Narvaes, Robert Pabone, Weldon Thompson, and Gary Pistole.

To the special Seniors who made this year special for us. This is for you:

To Jay B.: For all the times we treated you. What would you do without us? When you become rich, you know who to spend your money on.

To Robert M.: To someone really sweet who'd always be basin' on us juniors, but WHO lagged?? It's alright, we still luv you!!

To Benny F.: For being a pretty cool brother and wonderful friend. Thanks for all the rides and for being your unique self (we're talking about your outrageous modesty!).

To Liz C.: For taking time out just to talk to us. It was a trip cheering with you-too bad we didn't have any gum to chomp on too! But it made you look just right!!

To Jimmy U. and Francis A.: Although we didn't get to talk much, thanks for making our junior year a memorable one.

To Glen B.: For being so nice when you hardly knew us. Thanks for helping me in Spanish (G.F.).

To Michele T.: You finally made it! 'Member all the times you took either of us out? How about "Black Christmas" and downtown with Geri N.? Trip huh?

To George S.: When you're up there in life, don't lose your terrific smile. Next Halloween I won't forget to call you (G.N.).

To Jesse: Thanks for all the help in biology, especially during the tests.

To Terri, Michele, Beth, David, Linda, Dennis, Connie, Gloria, Brian, Donald, Ferdy, Susan, and Lisette in Annual Staff: It was fun working with all of you, but watch out next year!!!

Thank you all for making this year just perfect for the Both of us. Good luck in life and Take care- Come back and visit. Lots a luv, kisses, hugs, happiness, good luckness and all that other good junk.

Love ya's always,

Gerri  
Benny

To a very special person in my life, Diana Rodriguez,  
I'm truly sorry because of the mix up I had, but I think it showed how good you were to me and how much I really care for you.

You left and it could not be helped. While you were gone all I could do was think of good and awful things like you're never coming back or it wouldn't be the same, or just nothing.

I will never in my life forget you leaving. They were the 3 most terrible months in my life. Most of all I'll never forget the summer of '77 in San Francisco and L.A. that I spent with you. It made me feel like a responsible young man. I'm really grateful.

May God bless you in your life and may I always be part of it. I dedicate this to the times we had; to the times we could have had; and to the times to come.  
P.S. Sincerely sorry, will love you always,

George Langford

Evelyn Cruz:

I met you 2 years ago

When you became a sophomore

And you didn't really know

Until I kissed you at your door.

The year went by

And you went through two

But still I tried

Just to be with you.

My Senior year

Was to be the best

But your eyes filled with tears

Just like the rest.

We went for 27 days

It wasn't too long

To me it was OK

To you it was so wrong.

Then I left Su-Hi

I promised to come again

I thought you would cry

Maybe, maybe then.

We made the summer fun

Happy and full of cheer

Thinking of the things we've done

Through these past 2 years

I'm glad that you're content

And looking good I see,

Ever since I went

Especially now you're free

Thinkin' about these memories

I Hope you are glad

Please don't ever forget me

And the good times we had.

Take care. Luv you,  
Always & Forever,

"Smile we have each other"

April 3, 1977

To the senior class of '79;

Our senior year was filled with many new  
and exciting experiences that will soon be  
only memories.

We hope that the friendships we have  
made here will not be lost but grow with  
the years.

Senior privileges will soon be granted to  
you so cherish and enjoy them. We hope  
you will enjoy your senior year as much as  
we did.

Mary Pabon, Debbie Roberts, Rosa Lim,  
Roslyn Sue, and Martha Montes de Oca.  
'78.

This I dedicate to all my special, close friends:

For the last two years we've known each other. (some more). You've shared my joys and triumphs. You've shared my sadness and tears. There is no way in which my thanks can be expressed. I hope that by writing this note you'll always remember that all my love and gratitude will be yours forever!!

THANKS:

Cecilia-for the pep talks, patience, confidences shared, and plain fun we had.

Eddie-for the sad summer which you made happy for me, and for introducing me to your family.

Lisa-for being such a good friend and for bringing me down to earth with your duddy cut downs.

John-for the fun we had in Acapulco and for being the kind of friend anybody could want.

Padila-for being a good sport and taking all my duddy jokes along with the good ones about you.

I meant no offense.

Vicki-for the goofy way you make everything funner.

Linda-for being so sweet and friendly.

Susana-for making me FEEL like a senior.

Scott-for pulling me through some rough spots. (alot!!).

And

Rosemary-for teaching me I'm not as grown up as I thought and that I can still enjoy simple things like sitting down with my friends and making pompoms.

My Senior year has been terrific and I only wish I didn't have to leave my friends behind. It's sad to go but I'll go knowing that the Mighty Class of '79 will be the best class ever. I'm proud to say that, for a while I was part of it. Good-bye and may God Bless You.

All my love and friendship forever,
